Commitment to Sustainability

At Maraton Kencana, we are dedicated to protecting the environment and promoting sustainable practices. We invite you to join us in our mission to reduce our ecological footprint. Our commitment begins with using natural and reclaimed resources, minimizing waste and transforming discarded materials into beautiful products

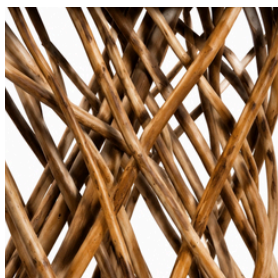

We proudly hold the **SVLK (Sistem Verifikasi dan Legalitas Kayu)** or known as **Timber Legality Assurance System** certification, ensuring that we source 100% legal timber from Perhutani, Indonesia's state-owned forestry enterprise. By choosing our products, you actively contribute to the fight against illegal logging and support responsible forestry practices.
